

MSK Ultrasound Asian Meeting 2025

May 28th-29th, 2025, Kyoto, Japan

Chairman: Toru Omodani (Director of Tokyo Advanced Orthopaedics)

THE KONGO NOH THEATRE

Hands-on seminars and special lectures will be held.

We welcome participants of all levels, from beginners to experts in MSK ultrasound.

From May 29 to June 1, the World Federation for Ultrasound in Medicine and Biology Congress will also be held in Kyoto. Please consider attending as well.
